Q1. Who is considered a member?

A1. The Club's By-laws define membership by family units. A "family" is considered to consist of husband and wife (or head of household) and all of their children living in the household.

Q2. Are there any provisions for caregivers?

A2. Yes. The Club offers a monthly pass for a family's caregiver (to be registered at the gatehouse) at a nominal fee which can be used in the absence of a parent.

Q3. Can full members or Special Guests bring guests to the pool?

A3. Yes. However, guests must be accompanied by the member and are limited to two entries per week. Guest passes may be purchased at the Gate House. Check website Membership page for current prices.

Q4. Can the facility be rented for private parties or community events?

A4. No. The Club's liability insurance policy limits the use of the facility to only club sponsored events.
