

## **Woodland Hills Club**

### **Summer 2020**

#### **Updated Process & Rules**

In order to accommodate our members and ensure that everyone has an opportunity to take advantage of our swim club this season, the following process and rules have been put in place to ensure that we are doing everything possible to keep Woodland Hills safe for our members and their families.

During these unprecedented times, please keep in mind that your guards and staff will do everything possible to ensure your safety and we ask that everyone respect the rules that have been thoughtfully put in place in order for our Club to open this summer. Keep in mind that children must be supervised by an adult at all times and must adhere to the rules set forth for our club.

**Woodland Hills will have three 2 1/2 hour sessions for our members to enjoy our Club allowing for 30 minutes between sessions to sanitize our chairs and lounges. A maximum of 132 members will be able to sign up for each session. We ask that everyone please be respectful of the sign-up process by considering that all members are trying to reserve a session. Please cancel your reservation if you are unable to attend your session to allow other members to take advantage of the Club.**
