

Hello Members,

We are excited to announce that the Club will open this FRIDAY, JUNE 5TH!

Per the CDC guidelines regarding COV-19 and the opening of outdoor pools, the Board has updated the Club's PROCESS AND RULES, which are linked below. It is important you read through the entire document. In order to access our Club at this time, all members are required to reserve a session in advance (see the link to the reservation system below). This will allow us to adhere to the facility capacity limits and to follow the social distancing requirements. The system will allow for reservations to be made one week out at a time. It is now live and ready for your use.

Before you can complete a reservation booking, each member must sign a COV-19 waiver within the reservation system. To sign the waiver, you will click on the "Terms of Service" link located on the final booking screen, review the waiver, and then checkmark the box that you accept the Terms of Service. Once you click on "Confirm Booking," you will receive an email confirming your booked session.

Currently, the system will restrict each member to one session per day. We are trying to ensure that all of our members have the opportunity to find an available session. As we monitor this new reservation system, we will adjust this restriction, if feasible. We encourage all members to only sign up for 3 sessions per week while we monitor the progress of this new procedure.

If you are unable to attend your booked time, we ask that you cancel your reservation in the system. You will need to cancel as to each person in your immediate family who cannot attend the session. Otherwise, the system will not allow you to book a different session that same day.

If you have any issues with setting up your account or making a reservation, we ask that you use the Omnify help chat feature which you can find at <https://intercom.help/get-omnify/en/>. If they are unable to assist you, please contact the Club at 724-941-9993. The reservation system will require you to enter your Bond number, so please have that available to you before creating an account. If you do not know your Bond number, please send an email to woodhillsclub@gmail.com to request it.

Thank you for your patience as we worked through the requirements, procedures and new systems. We continue to ask for your patience as we proceed into opening the Club. We are looking forward to a safe and happy summer at Woodland Hills!!

Sincerely,

THE BOARD OF WOODLAND HILLS CLUB
